Function Overview

Connecting with App

1. Scan the QR code to download and install Xiaomi Earbuds to enable more features.
2. Follow the instructions on the app to connect the earbuds.

Note: During the connection process, please make sure that the smartphone's Bluetooth is enabled. Put the earbuds into the charging box, open the lid, and ensure that your smartphone is near the box.

* Xiaomi Earbuds app supports mobile phones with Android 6.0 and above and iOS 14.0 and above.

* Please upgrade the app to the latest version.

Specifications

Name: Wireless Earphones
Model: M2317E1
Charging Port: Type-C
Earbuds Input: 5 V \pm 160mA
Charging Case Input: 5 V \pm 700mA
Charging Case Output: 5 V \pm 320mA
Wireless Connectivity: Bluetooth® 5.3

Operating Temperature: 0°C to 45°C
Supported Audio Codecs: SBC/AAC/LC3/LDAC
Wireless Range: 10 m (open space without obstacles)
Operation Frequency: 2400MHz to 2483.5MHz
Maximum Transmit Power: <13 dBm (for EU)

Compatible with: This product only supports certain Android or iOS systems. For detailed information, please check the product page on www.mi.com.

Note: Due to the connection characteristics of the Bluetooth signal, in dense environments with 2.4 GHz electromagnetic signal interferences, there may be occasional disconnects or no sound.

WEEE Information

All products bearing this symbol are waste electrical and electronic equipment (WEEE as in directive 2012/19/EU) which should not be mixed with unsorted household waste. Instead, you should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment, appointed by the government or local authorities. Correct disposal and recycling will help prevent potential negative consequences to the environment and human health. Please contact the installer or local authorities for more information about the location as well as terms and conditions of such collection points.

Hereby, Tiinlab Corporation declares that the radio equipment type M2317E1 is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: <http://www.mi.com/global/service/support/declaration.html>

WARRANTY NOTICE

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website <https://www.mi.com/>

global/support/warranty. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify.

Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.

Important Safety Information

Before using and operating this device, read the following precautions to ensure an optimal device performance and avoid dangerous use or unauthorized operations.

- Product information and certification marks are located in the charging case.
- Do not use the earbuds while driving, and comply with the relevant regulations in your region or country.
- Only use the power adapters that comply with the local safety standards or certified and supplied by qualified manufacturers.
- Do not disassemble, strike, crush or throw the product into fire, as it may cause an explosion.
- The product has a built-in battery that can not be removed or replaced. To avoid damage to the battery or the product, do not disassemble or modify the battery by yourself. The battery can only be replaced by the authorized service providers and must be replaced with the same type. Replacement of a battery with an incorrect type may defeat a safeguard (such as catching fire, explosion and leakage of corrosive electrolyte). Do not dispose of used batteries with household waste. Disposal of this product and the used batteries shall comply with local laws and regulations.
- Disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- Do not use this product during thunderstorms. Thunderstorms may cause the product to malfunction and increase the risk of electric shocks.
- Leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- A battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
- These earbuds and their accessories may contain small parts. Please keep them out of the reach of children.
- Please stop using the product immediately and seek medical assistance if the contact area on your skin shows signs of redness or swelling.
- Enabling noise canceling may affect your awareness of surrounding sounds and alarms. Ensure that you are in a safe environment before using this function.

To prevent possible hearing loss, do not use this product at high volume for long periods of time.

The symbol indicates DC voltage.

Maintenance:

- To maintain optimum sound quality, we recommend cleaning the ear tips of the wireless headphones regularly. This process can easily be done by removing the earpieces and then cleaning both earpieces with a cotton swab dipped in lukewarm water. Another cotton bud can be used to dry them. It is recommended to perform this procedure after each use or after an hour of listening to maintain cleanliness and an optimal listening experience.
- When not in use, store the headphones in the charging case and keep them at room temperature and in a humidity-free environment.
- Fully charge the headphones at least once every 6 months to maintain good battery condition.

FCC Compliance Statements

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

ISED Compliance Statements

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
 - (2) This device must accept any interference, including interference that may cause undesired operation of the device.
- This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment.

RF Exposure Compliance

This equipment complies with FCC/ISED radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with minimum distance 0 mm between the radiator and your Head.

The portable device is designed to meet the requirements for exposure to radio waves established by the FCC/ISED. These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the Head, with 0mm separation.
