

Xiaomi 67W Charging oCmbo (Type-)A

User manual

Read these instructions carefully before
using the product and store them appropriately.

Read this manual carefully before use, and retain it for future reference.

Product Overview

Thank you for using this product. This charger is compact and portable with the maximum output power of 76W. It is compatible with most of the devices on the market.

Illustrations of product, accessories, and user interface in the user manual are for reference purposes only. Actual product and functions may vary due to product enhancements.

Specifications

Name: Xiaomi 67W Charging

Combo (Type-A) Model: MDY-12-EH

Output Port: USB-A

Input: 100-40V2~, 50/60Hz, 1.7A

Normal Output: 5.0V ~ 3.0A 15W

Fast Output: 5.0V-20.0V ~ 6.2-3.25A (76.0W Max)

Operating Temperature: -10°C~40°C

*Item Dimensions: 73*49.3*28mm (excl. prongs)*

No-load Power Consumption: < 0.75W

Product Features

Safety: Multiple protective functions including short circuit protection, overcurrent protection, overvoltage protection, overheating protection, and undervoltage protection. The USB-A interface has an independent high-precision current-limiting chip built-in to ensure that the charger works within the normal current range. Its shell is made of UL94-V0 grade fireproof and high temperature resistant material, which is safe and reliable.

Compatibility: With the built-in intelligent identification chip, the charger is compatible with most electronic devices on the market, such as phones and laptops.

Port: USB-A design that supports the fast charging up to 67 W.

Appearance: Ultra-small with 2-prong plug, compact and portable.

Applicability: Operating altitude ranges up to 2000 meters.

Warnings

- Do not disassemble this charger.
- Do not expose this charger to heat sources, fire, or environments with ambient temperatures over 40°C (104°F). Do not leave this charger in direct sunlight.
- Do not short circuit this charger.
- Do not subject this charger to excessive force.
- Children must be supervised by an adult when using this charger.

The manufacturer hereby, declares that this equipment is in compliance with the applicable Directives and European Norms, and amendments. The full text of the EU declaration of conformity is available at the following internet address:
